# BREAKTHROUGHS

The 1960s witnessed the rise of individualism and freedom of expression. Seismic changes were afoot, and global counterculture was burgeoning. The newly independent Republic of Singapore took a front row seat to this era, embracing it with grace, poise and determination.

In Volume 3, we proudly feature a collection of iconic breakthroughs across the decade. Icons that influenced a generation; Innovations that propelled humanity; Media that broadened our thinking; and Aesthetics that challenged convention.

Imbibe on this liquid journey and savour the vibrant flavours, audacious ingredients and bold sensations that defined this era, and may you find your own breakthroughs with us.

Welcome to Republic.

The background features several abstract geometric shapes. In the top left, there is a large, partially visible circular shape with concentric rings of teal, orange, and light green. In the top right, there is a solid teal circle. On the right side, there is a large circular shape with a spiral pattern of teal, orange, and light green. In the bottom right, there is a solid teal circle. The text is overlaid on a large teal circle in the bottom left.

# AESTHETICS
